## **Intergovernmental Executive Committee Prepares for Third Public Meeting**

FALLON, NEV. – The third meeting of the Intergovernmental Executive Committee (IEC) will be held August 31, 2021 at 2:00 p.m. The Committee will continue discussions on a memorandum of understanding and a charter that will allow all members to participate in a meaningful way.

The inaugural meeting of the Committee was held April 20, 2021, via a virtual meeting. The initial meeting was focused on defining IEC membership and establishing Committee processes. The second meeting was held June 28, 2021, via a virtual meeting and continued the conversations from the April meeting. The August meeting will be a combination of a virtual meeting and in-person participation at the Churchill County Commissioner's Chambers.

The IEC is a congressionally directed effort that serves as an advisory board for the purpose of facilitating government-to-government and intergovernmental coordination, as well as the exchange of views, information, and advice in matters regarding the management of the natural and cultural resources within the existing and proposed withdrawal Fallon Range Training Complex (FRTC) land area and airspace.

The August meeting will be conducted in accordance with the Nevada open meeting law (NRS-241) and will be streamed over Zoom to accommodate broad public involvement.
